LIVE SPANISH WITH US!

UNIVERSPAIN offers every day of the year a complete immersion in the Spanish language to students from all over the world. Our schools are situated in Salamanca, Málaga, Barcelona and Santander. If you are looking for a modern school with new methods, great activities and special attention from professional teachers, then you have found it.

All our students have classes in conversation, culture, grammar and vocabulary. In addition, "special interest" classes will be offered in such fields as literature, art and history.

The courses take place in the center of the respective cities. They normally start any Monday of the year offering, depending on the city, from 5 to 9 different levels. The classes are composed of not more than 8-10 students. We require two week of course (one week for Salamanca) as a minimum.
